

Donlin Gold is recruiting Heavy Equipment Operators located at our remote camp in Western Alaska.

JOB POSTING: Heavy Equipment Operators

The Heavy Equipment Operators will be responsible for safe operations of heavy equipment (loader, excavator, grader, bobcat, pickup, four wheelers, snow plow, snow machines and other equipment as necessary).

RESPONSIBILITIES AND DUTIES:

- Comply with safety, environmental policies and procedures.
- Maintain camp runway and support the activity of the contractors as required.
- Safely operate heavy and light equipment (loader, excavator, grader, bobcat, pickup, four wheelers, snow plow and other equipment as required).
- Completes pre-shift inspection and field level risk assessments.
- Other duties as assigned by supervision and may include providing support in other departments as necessary.

While performing the duties of this job, employees may be frequently required to stand, walk, or sit for extended periods of time, use hand and fingers to handle or feel, reach with hands and arms, climb or balance, stoop, kneel, crouch, or crawl, regularly required to talk and hear. The employee must occasionally lift and/or move up to 50 pounds and occasionally lift and/or move up to 75 pounds. Specific vision requirements for this position include close vision, distance vision, and the ability to adjust focus.

This position is a 2 week on 2 week off rotation. The successful candidate must successfully pass a post-offer physical and drug screen and criminal background clearance.

EDUCATION & EXPERIENCE:

- High School Diploma or equivalent and a certification operating heavy equipment preferred. Four years minimum experience preferred.

If you are interested in this opportunity, please complete a Donlin Gold application and email jobs@donlinGold.com or mail to: Open until filled.
